

**Lucidowners.com New England Fall Rally: Oct 1, 2023** (~75 miles, 20% battery on 19" wheels)

Meet at 10 am at the lower lot next to the ranger booth at Miller State Park or at Dublin Road Tap Room at 11ish if you're running late. (Text or call us if you are.)

**Part 1: Miller State Park to Dublin Road Tap Room** (<https://tinyurl.com/d6tawxdb>)

We will lead off the day by driving to the top of Pack Monadnock on the very steep auto road.

Afterwards, our first stop will be the Dublin Tap Room for a quick bite. This is a great place to meet up if you're running late.

After the left turn from Rt 123 to Rt 202, we will regroup at the Dollar General parking lot on Rt 202.

**Part 2: Dublin Tap Room to Lily Pond, Marlow** (<https://tinyurl.com/5at55hsk>)

Our next stop will be the iconic view over the lily pond of Marlow NH. This will involve stopping on the side of the road on Rt 10.

There may be some gravel on Rt 124 after Mt Monadnock, but it's only about a mile or two.

We will also regroup after making the left turn from Rt 9 onto Rt 10 after the first bend on Gilsum Rd.

**Part 3: Lily Pond to Powdermill Pond Boat Ramp (<https://tinyurl.com/bdhvre6x>)**

Our next stop is the view of the Hancock-Greenfield Covered Bridge from Powdermill Pond. It's on the right after crossing the covered bridge. We'll park in the gravel parking lot and take a quick walk. There are porta-potties if needed.

Along the way, we can stop at either Aaron's Specialty for ice cream or snacks or at Mill Village Country Store for supplies. Let us know if you need to make a stop.

**Part 4: Powdermill Pond Boat Ramp to Peterborough (<https://tinyurl.com/bde32chb>)**

After leaving the boat ramp, we'll drive along some backroads to Peterborough, finishing at their municipal lot, which has 4 Level 2 chargers. These use Chargelab (<https://www.chargelab.co/app>). (No, I've never heard of them either).

We will then either stop at the Post & Beam (if we are dog-less) or at Harlow's Pub if we have some furry friends with us.
