## Preliminary Estimate

2023 LUCI Air Touring AWD 4D SED Electric- Electric GREY

Today we have provided you with a Preliminary Estimate for your review and consideration. This Estimate does not include any unseen or hidden damage. Parts price increases are inevitable and will be adjusted per the vendors final invoice.

A 50% deposit is required on all customer pay work. If repair appointment is cancelled, a 20% return fee will be charged on all parts ordered on your behalf. If parts are non-returnable to our vendor then no refund will be given.

Insurance companies are required to supply us with an estimate within 48 hours. If we do not receive estimate of records within this timeline we will charge storage for wait days. Storage rates are listed on wall.

**New Technology Systems:** Vehicle repair has changed over the last five years due to the advances in computer technology. This creates additional challenges when having your vehicle repaired. Your vehicle's computer systems may need to be reset by the local dealer, this may add additional days and costs to the repair. These charges may or may not be covered by your insurance.

**Vehicle Modifications:** Vehicles that have been modified from the original factory specs include film protection, paint sealants, aftermarket radar systems, aftermarket sound systems, aftermarket exhaust and suspension componets. The aftermarket additions may increase the cost and time to do the repairs. Insurance may or may not over these costs.

**Alternative parts:** Aftermarket, reconditioned or used parts are frequently requested by insurance companies. Bel-Red Auto Rebuild does not agree with the use of these parts. We will use these parts if you request but we will be unable to guarantee the final fit or finish to be as good as new OEM parts from the vehicle manufacturer. We will attempt to get the insurance company to approve the use of new OEM parts. You will have the option to pay the difference in cost if you choose to use OEM parts.

Customers will be charged \$25.00 if we are required to put fuel in the vehicle.

This estimate is valid for 30 days.

**ANY INSURANCE CHECKS ISSUED FOR THE VEHICLE MUST BE DELIVERED TO THE SHOP, IF YOU CHOOSE TO CASH THE CHECK YOU WILL NEED TO BRING A CASHIERS CHECK. IF YOU CHOOSE TO USE A CREDIT CARD THERE WILL BE A 3% FEE CHARGED FOR PROCESSING.**

**IT IS A CRIME TO KNOWINGLY PROVIDE FALSE, INCOMPLETE, OR MISLEADING INFORMATION TO AN INSURANCE COMPANY FOR THE PURPOSE OF DEFRAUDING THE COMPANY. PENALTIES INCLUDE IMPRISONMENT, FINES, AND DENIAL OF INSURANCE BENEFITS.**
