Exterior Interior Safety Specs Compare

TEST DRIVE ORDER

The Lucid Air Pure is the distillation of amazing range, performance, efficiency, and space into our most essential and lightest vehicle yet.

Interior details and amenities.

MATERIALS

Soft and sustainable

Intended to evoke a sense of place, choose from the Mojave Purluxe or Santa Cruz interior themes — each with an array of fabrics, textiles, and leather or leather alternative.

SPACE

Expansive interior

More leg and headroom, perfect for longer rides.

SEATING

Optional massage seats⁵

The 20-way power front ventilated seats with massage bring resort-ready comfort to your driving experience.

SOUND

Available Surreal Sound™ Pro

21-speaker immersive audio with Dolby Atmos technology.

SAFETY

We've got your back.
And front. And sides.

Included in every Air is Lucid's 3D Surround View Monitoring with Blind Spot Display, Adaptive Cruise Control, Automatic Park In & Out, Front & Rear Cross Traffic Protection, Blind Spot Warning, Automatic Emergency Braking, and more. Optional DreamDrive™ Pro upgrade with Highway Assist⁷ and future-capable advanced driver assistance system hardware available.⁴
